# 4 WHEEL BOB

**A FILM BY TAL SKLOOT**

4 WHEEL BOB tells the story of 60-year-old Bob Coomber, an intrepid adventurer who sets out to be the first wheelchair hiker to cross the Sierra Nevada mountain range in California. This moving film captures the stunning beauty and extreme challenges Bob faces on his arduous journey. A passionate advocate for the disabled and for the preservation of state parks, Bob is a community role model who was inducted into the California Outdoors Hall of Fame and honored with the President’s Council on Fitness, Sports and Nutrition Community Leadership Award.

An excellent teaching resource for the classroom, 4 WHEEL BOB will inspire students to understand the experience of disability, the therapeutic power of nature and the importance of wilderness conservation, among other topics.
